

MANUFACTURING INNOVATIVE
SOLUTIONS FOR OVER 125 YEARS

the perfect finish
SINCE 1898

H²O²00 RANGE
CLEAR

**A Superior High-Performance
Waterbased Coating**

PRODUCT USE BENEFITS

- Fully certified to FIRA 6250 Severe Contract Use
- Formaldehyde & Isocyanate free
- Excellent adhesion and film clarity
- No residual smell to the end customer
- Reduced material consumption by removing the need for Catalysts, Hardeners, thinners etc resulting in a substantial cost saving
- Simplifies your Health, Safety & Environmental compliance obligations
- Reduces the risk of spray shop fires
- Helps you comply with Health and Safety legislation, in particular Control of Substances Hazardous to Health (COSHH) Regulations 2002
- Safer working conditions in the workplace with less health risks for your employees
- No external storage required
- Reduced wastage and aligned costs due to being a single pack product, which can be stored longer in a sealed container after opening
- Potentially reduce your insurance premiums
- Puts **YOU AHEAD** of your competition
